*"Love is patient, love is kind ...
Love never fails"
1 Cor . 4a, 8a*

My dear Parishioners and Friends,

BLESSED JULY 4TH: As Americans we celebrate the birth of our country on the Fourth of July - Independence Day. Regardless of the day of the week the Fourth falls on, the weekend nearest to Independence Day is usually a time for friends and families to celebrate with cookouts, parades, fireworks and other festivities, but above all by Praising God for gift of Freedom.

If Memorial Day is the “beginning” of summer, I think it is safe to say that the 4th of July is the peak of summer, it is a great summer holiday. This weekend offers us an opportunity to remember the many gifts we have received as people of this great nation. We continue to pray for our nation’s leaders, supreme court, and all who serve this country, in their work of serving the common good, and protecting the general welfare of our nation.

Summer is here! Trips have been planned. I pray that your travels are safe and filled with many blessings. I am just as glad as you are that summer has come. I enjoy this time of the year. It is so great to be able to get outside, go for a walk on the beach, a bike ride, a picnic or to sit by the water.

Jesus calls us to himself, to rest from our labor; *“Come to me, all you who labor and are burdened, * and I will give you rest. Take my yoke upon you and learn from me, for I am meek and humble of heart; and you will find rest for yourselves. For my yoke is easy, and my burden light.”* Mt. 11: 28 - 30.

Sometimes we may tend to see our spiritual life, our relationship with our Church or our discipleship, in need of a break, like from other things during the summer. Some people stop attending Mass during the summer. Hopefully, we do not see our relationship with God as something that needs a break, that it is only associated with work.

Those of us who live in climates where we have four seasons know the joy and wonder of summer. It is a God given gift to help us change our pace of life for a period of time. We are invited to rest. And we are entitled to all the joy, pleasure, satisfaction, and laughter which come with rest. Go to the movies. Go to the pool. Go on a trip. Allow me to caution you, however, against confusing rest with sloth – one of those deadly sins... I think I have made this recommendation before when it comes to summer and vacations, one of my old pastors used to recommend this when we were students – if you can give praise to God at the end of your activity, then it was probably a good thing, if you cannot praise God for what you did, then you may want to look at not doing that anymore.

There are a number of places in scripture where we see Jesus taking a break, going to the beach or the mountains to be with his friends. Jesus saw those times as a blessing from God. Like Jesus, we should take advantage of them. Like Jesus, we should not see a difference between the goodness of things in this world and the presence of God. God really wants to join you on your summer break. God will join you on that camping trip, at the lake, climbing a mountain, fishing, enjoying a boat ride, and whatever else you invite God to take part in. Just remember to invite God to join you. And, if you are still in town, we look forward to seeing you at Church.

God bless you and your families, the gift of our independence and May God continue to bless America, enjoy your summer.

Fr. Johnny

Liturgy

St. Benedict the Abbot, July 11th

St. Benedict is believed to have been born around 480, as the son to a Roman noble of Norcia and the twin to his sister, Scholastica.

In the fifth century, the young Benedict was sent to Rome to finish his education with a nurse/housekeeper. The subject that dominated a young man's study then was rhetoric – the art of persuasive speaking. A successful speaker was not one who had the best argument or conveyed the truth, but one who used rhythm, eloquence, and technique to convince. The power of the voice without foundation in the heart was the goal of the student's education. And that philosophy was reflected in the lives of the students as well. They had everything – education, wealth, youth – and they spent all of it in the pursuit of pleasure, not truth. Benedict watched in horror as vice unraveled the lives and ethics of his companions.

Afraid for his soul, Benedict fled Rome, gave up his inheritance and lived in a small village with his nurse. When God called him beyond this quiet life to an even deeper solitude, he went to the mountains of Subiaco. Although becoming a hermit was not his purpose in leaving, there he lived as a hermit under the direction of another hermit, Romanus.

One day, during his time living in a cave above a lake as a hermit, the Devil presented Benedict's imagination with a beautiful, tempting woman. Benedict resisted by rolling his body into a thorn bush until it was covered in scrapes. It is said through these body wounds, he cured the wounds of his soul.

After years of prayer, word of his holiness brought nearby monks to ask for his leadership. He warned them he would be too strict for them, but they insisted – then tried to poison him when his warning proved true. The story goes, the monks attempted to poison Benedict's drink, but when he prayed a blessing over the cup - it shattered.

So Benedict was on his own again – but not for long. The next set of followers were more sincere and he set up twelve monasteries in Subiaco where monks lived in separate communities of twelve.

He left these monasteries abruptly when the envious attacks of another hermit made it impossible to continue the spiritual leadership he had taken.

But it was in Monte Cassino he founded the monastery that became the roots of the Church's monastic system. Instead of founding small separate communities he gathered his disciples into one whole community. His own sister, Saint Scholastica, settled nearby to live a religious life.

After almost 1,500 years of monastic tradition his direction seems obvious to us. However, Benedict was an innovator. No one had ever set up communities like his before or directed them with a rule. What is part of history to us now was a bold, risky step into the future.

Benedict had the holiness and the ability to take this step. His beliefs and instructions on religious life were collected in what is now known as the Rule of Saint Benedict – still directing religious life after 15 centuries.

Benedict died on 21 March 543, not long after his sister. It is said he died with high fever on the very day God told him he would. He is the patron saint of Europe and students.

St. Benedict is often pictured with a bell, a broken tray, a raven, or a crosier. His feast day is celebrated on July 11.

Thank You

FOR YOUR GENEROSITY EACH WEEK

Stewardship Prayer

Father, Son, and Holy Spirit,

I come to You in thanksgiving knowing that all that I am and all that I have are gifts from You. Teach me to be generous with these gifts that You have given to me.

I know that You want me to accept these gifts, cultivate them, and return them with increase, and that I may do that only through You. Help me to be Your faithful, evangelizing steward.

Keep me mindful that, as Your disciple, I am called through the Holy Spirit to be an instrument of dramatic missionary growth, radically faithful to participation in the Sunday Mass, deeply devoted to the presence of Jesus Christ in the Holy Eucharist, and courageous in living the truths of our Faith and sharing the "Good News" with the world.

Make us One Family in Mission so that, through our time and talent, we may ignite our Church with the joy of the Gospel. *Amen.*

HELP US TO MAKE A DIFFERENCE

Every year through the support and commitment of individuals and organizations, we are able to serve more than 600,000 people in our Long Island community.

The Catholic Ministries Appeal enables our Church to continue to form our youth and adults in the faith, promote the dignity of life, provide quality education to our young people, feed the hungry, and foster vocations to the priesthood.

Your support of the Catholic Ministries Appeal helps our Parish Outreach and Catholic Charities Programs serve people in our community by providing food, clothing, shelter, counseling and care. And most importantly, it lets those we serve know that God loves them and is with them during the difficult times in their lives.

Your generosity helps to make all of this, and so much more, possible!

Thank you for your support.

San José de Cupertino nació en 1603 en un pueblo pobre de Italia. Desde pequeño fue considerado distraído y débil, creciendo en extrema pobreza y con poca comprensión de su entorno. Era tan ensimismado que los vecinos lo apodaban "boquiabierto".

Intentó ingresar en órdenes religiosas, siendo rechazado varias veces por su distracción y falta de habilidades, hasta que finalmente fue aceptado por los **franciscanos** como obrero. Con el tiempo, gracias a su humildad, obediencia y vida de oración, fue admitido como fraile y **ordenado sacerdote en 1628**.

Aunque no era buen predicador, se entregó a la penitencia, el ayuno y la oración por los pecadores.

Vivía con gran austeridad y su vida estuvo marcada por éxtasis místicos, milagros y levitaciones, fenómenos que ocurrían con frecuencia, especialmente cuando hablaba de Dios o del cielo.

Durante estos éxtasis, era insensible al dolor y al entorno, y solo la voz de su superior lograba traerlo de vuelta. Se le conoce por haber experimentado numerosas levitaciones, consideradas por la Iglesia como un don divino reservado a almas especialmente santas.

Stop Physician-Assisted Suicide in New York

New York is on the brink of legalizing physician-assisted suicide. Bill A136 has already passed the Senate and Assembly. **The only thing standing in its way is Governor Hochul's veto – and she needs to hear from you.**

This bill would allow doctors to prescribe lethal medication with the sole purpose of ending a patient's life. It puts the most vulnerable among us – the elderly, people with disabilities, and those facing emotional or financial despair – at even greater risk. **Suicide is not healthcare.**

We must speak out to protect the dignity of every human life. Assisted suicide is a dangerous and deadly path – one we must not go down.

Take Action!

Contact the Governor's office now to oppose this deadly practice! Visit **bit.ly/veto-pas** or use the QR code.
