

Religious Education Enrollment Agreement

PARENT/GUARDIAN

I acknowledge that St. Christopher's Religious Education program is designed to help form my child in prayer, the sacraments, and the life of the Roman Catholic Church, with the goal being lifelong discipleship of Christ. I understand that the curriculum includes all that the Magisterium of the Roman Catholic Church maintains in faith and morals, supported by Church documents and Canon Law, including *The Catechism of the Catholic Church*, and utilizes diocesan programs/resources. By enrolling my child(ren) in St. Christopher's Religious Education program, I consent to the foregoing and agree that:

- ❖ I will support my child(ren)'s religious education by bringing them to Sunday Mass (or watch televised Sunday Mass)/Holy Days of Obligation, and submitting grade level Mass attendance sheets throughout the school year.
- ❖ I will strive to make the Catholic Faith come alive in my home by establishing a Christian family which prays and lives the Gospel message.
- ❖ I will support and respect their religious instructors and staff members, helping, when possible, if called upon.
